

Set in the heart of one of the world's greatest wine regions, Bordeaux City Bond is a warehouse devoted entirely to the storage of fine wines and related products, exempt from all duties and taxes.

Ultra-tight security and controlled climate conditions are among the broad range of services which allow us to meet the demands of our professional clients. Bordeaux City Bond is one of the few bonded warehouses to offer an online interface which allows users to manage their accounts and operations.

Advantages and benefits of BCB:

- Air-conditioned warehouse **offering optimal storage conditions** (computerized temperature maintenance, hygrometry, and lighting levels) with warehouse capacity of over 400 000 cases;
- **Ultra-secure warehouse:** 24 hours surveillance; perimetric and volumetric detection alarm system; security in both reception and delivery areas;
- **Located at the heart of Bordeaux**
- **In Bond warehouse:** suspension of all taxes and duties for an unlimited time;
- **Provides a full range of services by wine professionals:** inspection of your wines, re-packing, provide pictures of designated cases/bottles...
- **Secure online service in real time** enables you to access and view your stock status (login and password upon request)
- All your wines are stored under your **own account (under your name)** enabling you a total protection of your holdings.
